Time is to him who seeks like a fleeting moment; to him who waits, an eternity. An intangible yet a reality, time lingers or flees, unaware of our desires.

So we, members of a brief section of time, must strive to capture each fleeting moment; to live it fully and to cherish it as a warm memory.

There are numerous occurrences on our campus, private ones and those shared by many. It is our purpose in this book to represent a sampling of these memorable moments and, thus, stop and recall a short period of time for each to remember.

Madison College • Harrisonburg, Virginia

For outstanding patronage, understanding, and light-hearted participation, for excellence in professional responsibilities, for demonstration of the qualities possessed by dignified men and women of the campus scene, we dedicate our memories and accomplishments to a couple who have contributed much to Modison and given much of themselves to our class.

It is, therefore, with great pride and warmth, that we, the Class of '64, dedicate the BLUESTONE to Dr. and Mrs. Raymond C. Dingledine, Jr.

## Dedication

*To another memory we leave this thought:*

*For everything there is a season, and a time for  
every matter under heaven:  
a time to be born, and a time to die;  
a time to plant, and a time to pluck up what is planted;  
a time to kill, and a time to heal;  
a time to break down, and a time to build up  
a time to weep, and a time to laugh;  
a time to mourn, and a time to dance;  
a time to cast away stones, and a time to gather stones  
together;  
a time to embrace, and to refrain from embracing;  
a time to seek, and a time to lose;  
a time to keep, and a time to cast away;  
a time to rend, and a time to sew;  
a time to keep silence, and a time to speak;  
a time to love, and a time to hate;  
a time for war, and a time for peace.*

# Division of Teacher Education

Since Madison was founded for the education of teachers, this division is an important part of the college. The departments of Education and Psychology are included in this division. Although Madison's curricula have expanded since its founding, the education of teachers is a vital part of the college. The responsibility of training the best teachers rests in the hands of these professors.

# Social Directors

Many students know the Social Directors as the ladies who help freshmen "sign out," give late permissions, and give general information in Alumnae. However, few students know that these ladies also serve as advisors to the Social Committee, give teas, and arrange flowers in Alumnae Hall.

Mrs. Yancey and Mrs. Lincoln are the Social Directors of Madison.

# Dormitory Hostesses

The housemothers of Madison are responsible for the care of the dormitories and the welfare of the girls who live in them. These women are always willing to help their girls in any way possible.

# ACADEMICS

#### ELEMENTARY EDUCATION

This curriculum is based upon the conviction that a good elementary teacher must not only understand child growth and the nature of learning but must also be given adequate experience in guiding the learning experiences of children. Because such a teacher also needs a broad background of general or

liberal education for his personal satisfaction, this curriculum also provides a wide range of required courses and electives. A selected concentration of 24 semester hours should be included. A Bachelor of Science Degree is obtained in this course.

## Curriculum I

## Curriculum II

#### SECONDARY EDUCATION

This is a four-year curriculum for the preparation of high school teachers. Emphasis may be placed upon English, social studies, and foreign languages, or upon art, library science, mathematics, and science. There are courses in the professional subjects of education which lead to certification for teaching.

Upon completion of the work listed above, the student will receive the degree of Bachelor of Arts and the Collegiate Professional Certificate, enabling the holder to teach the subjects emphasized.

# Curriculum III

## SECONDARY EDUCATION

This curriculum is for the preparation of high school teachers. Emphasis may be placed upon science, mathematics, English, and social science, or upon physical education, library science, art, or foreign languages. There are courses in psychology and education that lead to certification for teaching.

Completion of the requirements for this curriculum leads to the Bachelor of Science degree and the Collegiate Professional Certificate, enabling the holder to teach the subjects emphasized.

# Curriculum IV

## HOME ECONOMICS EDUCATION

Graduates of this curriculum are certified to teach vocational home economics in high school. The requirements of the Vocational Division of the United States Office of Education and the standards set up by the State Department of Education are

fully met. Although this is a specialized curriculum, it is liberal in its content and scope.

Teaching is the largest field of employment for specialists in home economics.

# Curriculum V

## BUSINESS TEACHER EDUCATION

Curriculum V is designed to prepare teachers of business education for the secondary schools. In addition, it provides training in the non-teaching areas of secretarial science, general clerical and office occupations.

Upon completion of Curriculum V the student receives a B.S. degree in Education and the Collegiate Professional Certificate. The graduate is qualified to meet the four areas of State certification: Stenography, Bookkeeping, Office Organization and Practice, and Basic Business.

# Curriculum VI

## MUSIC EDUCATION

This curriculum is for students who wish to prepare to teach vocal or instrumental music in the public schools. Upon completion of the requirements set forth, students will receive the degree of Bachelor of Music Education and will qualify for the Collegiate Professional Certificate for the teaching of music from the Virginia State Board of Education or for a similar certificate in most other states. Students may also gain music skills required for church music, for private music teaching, or for work in a phase of the music industry.

It includes also on elementary knowledge of piano, voice, and one instrument of the brass and woodwind groups.

# Curriculum VII

## LIBERAL ARTS

This curriculum enables students not primarily interested in teaching to secure academic training equivalent to that offered in a liberal arts college. It provides students with a broad, cultural education and at the same time enables them to secure pre-professional preparation for such fields as library science, psychiatry, personnel work, social welfare, medicine, law, and other professions.

# Curriculum VIII

## LIBERAL ARTS

In this curriculum, work in science is emphasized, although students may specialize in a number of other fields.

The pre-medical or pre-dental student should be enrolled in Curriculum VIII. It is to the advantage of pre-dental students to obtain a college degree, and they get a B.S. degree here.

A four-year program leading to the Bachelor of Science degree in Medical Technology is offered in Curriculum VIII-A cooperatively with the School of Medicine of the University of Virginia and other hospitals on the approved list of The Council of Medical Education and Hospitals of the American Medical Association and the Board of Schools of Medical Technology of the American Society of Clinical Pathologists.

Pre-nursing students should enroll in Curriculum VIII. The University of Virginia School of Nursing offers a program in nursing leading to the Bachelor of Science in Nursing degree.

# Curriculum IX

## INSTITUTION MANAGEMENT

This curriculum meets the academic requirements set up by the American Dietetic Association. While this course is a professional course for food administrators, it is broad in its content and scope.

Graduates are eligible for entrance as dietetic interns in hospitals and administrative courses approved by the American Dietetic Association. This year of successful apprentice training gives the graduate active membership in the A.D.A. and enables her to accept a full time position as a graduate dietitian.

College graduates without this year of internship are in demand for positions in school lunch rooms, small hospitals, transportation companies, and welfare agencies.

# Curriculum X

## GENERAL HOME ECONOMICS

This curriculum places special emphasis upon preparation for the responsibilities of homemaking and family living. Courses designed to acquaint the student with family relationship, child development, and health of the family are offered. The curriculum also offers opportunities for preparation for income earning in such fields as home economics in business, journalism, radio, television, demonstration work, social welfare, merchandising, and government.

# Curriculum XI

## BUSINESS

Curriculum XI is a professional, non-teaching curriculum designed for those preparing for careers as secretaries, office occupations, or accountants. Two majors are offered.

The secretarial major provides specialized training to prepare the student for jobs as secretaries, office supervisors, and general clerical workers.

The business administration-accounting major provides specialized training to prepare students for positions as office managers, personnel workers, bookkeepers, and accountants.

# Curriculum XII

## MUSIC

This curriculum is for students whose chief interests lie within the fields of musical performance, theory, and composition. Emphasis is put on broad and complete preparation in music for a professional career and for graduate professional music study, and an academic background through the general education courses.

## BLUESTONE STAFF

In this the fifty-fifth edition of the yearbook, Modison's first student publication, the 1964 staff has endeavored to present a complete coverage of campus life and an opportunity for you to relive your fondest moments throughout the years.

After planning the book and receiving stimulating ideas from the Associated Collegiate Press Convention, copy and pictures were compiled for our early deadlines. Taking time out for our Christmas Party, we hurried back to complete the book and send it off to the publishers. Creativity, hard work and much more have produced this 1964 Bluestone.

## ALPHA GAMMA DELTA

Autumn leaves and the beginning of classes found Gamma Mu busily preparing to add new sisters to its ranks. For the final rush party the living room of Messick House was transformed into a cove, and the girls become Peter Pan, Captain Hook, and his band of pirates for the weekend.

After the welcome arrival of new pledges into membership, the Alpha Gams settled down to parties, suppers, and regular meeting. December brought the initiation of pledges followed by a banquet at The Shenvallee in New Market, with an Alpha Gam Alumna, Eleanor Wright, as our speaker. Also, this month brought the annual Panhellenic dance and our Christmas party given by the pledges who also provided side-splitting entertainment for the old members.

With the new year came exams but also a wonderful new group of pledges. International Reunion Day was celebrated with a tea. Seniors, though anxious for graduation, found tears in their eyes when serenaded at the Senior Party. June found us relaxing on the sands of Virginia Beach with many happy memories of sorority life and hopes for even better things in the future for Alpha Gamma Delta.

Alpha Gams take a snowball break.

## ALPHA SIGMA ALPHA

The red and white welcome of Baker House flew gaily for the return of its Alpha Sig girls in September. The spirit of Baker soared because it knew that after this year it would live only in the memories of its happy ASA'ers. Those memories began with the preparations for a Bak-Aloha Luau and Hawaiian festivities that ended with an inspiring ceremony for twenty-three new Alpha Sig sisters. Baker House spirit also extended its welcome to the foreign students attending Madison with whom we talked of customs and cultures.

Our effort in scholarship was rewarded and our determination for achievement was renewed when Alpha Sigma Alpha received the Panhellenic Scholarship Cup. The ASA spirit continued to soar as we called for donations of foods to be given to a needy family at Thanksgiving.

By the beginning of December the Alpha Sigs had acquired the additional spirit of Christmas which they shared with patients at Western State Mental Hospital during a Christmas party of skits, refreshments, and gifts. As usual, the ASA spirit was still strong; the new members entertained the advisors, sponsors, and old members of ASA with a Christmas party. Excitement came with the new year and the prospect of moving to our new home. The adaptation of rush and the anxiousness of meeting with approval of our national inspector in the Spring of 1964 challenged the ASA spirit once more. Through the year, Alpha Sigma Alpha collected many memories of laughter and achievement which were added to the hopes for another wonderful year.

Ready for a Luau.

## ALPHA SIGMA TAU

Alpha Sigma Tau Sorority is the outgrowth of a woman's social club founded on the campus of Michigan State Normal College, Ypsilanti, Michigan, in 1899. The name Alpha Sigma Tau was adopted by the group, which continued to grow in membership from year to year. There are twenty-eight collegiate chapters and fifty-six alumnae chapters.

September saw the return of many busy members again to plan the traditional "Carnival Party" for rush. The following week-end new pledges were welcomed into the sisterhood.

Again in the Spring the ASTers welcomed new sisters and celebrated the local Founder's Day. The year ended with a farewell breakfast for the seniors. As summer came we recalled the memories of an inspiring Alpha Sigma Tau year.

Rush at Zirkle means carnival copers.

## PHI MU

Autumn leaves found a smiling, suntanned group of Phi Mus beginning the new year with a busy rush workshop and plans for a trip to "Phi Mu Heaven." Much to our delight, we welcomed eight new pledges.

In October we were fortunate to have our District President visit us. As the year progressed, we continued to send letters and money to our adopted brother, Andreas Dragar, in Vienna, Austria. December brought preparations for the annual Panhellenic dance and plans for a Christmas party at Lincoln House. In the spirit of Christmas, the Phi Mu pledges collected food and gifts for a needy family.

On January 4, 1964, we initiated our pledges and attended a banquet in their honor at the Holiday Inn. As spring approached, we welcomed new sisters and celebrated our Founder's Day with installations of officers and a banquet.

With the arrival of May, all Phi Mus looked back over a year that had been filled with fun and excitement. As the seniors bid their sisters good-byes, they wished them happiness and success for the coming year.

Phi Mus put the finishing touches on the "Happy Holly Days" mural.

Last minute checks for a perfect party.

A busy president, Sandy Blosser, checks the files.

M Williams, C Twomey, P. Revere, and Vicki McQuinn relax before the Sigma Kap rush party. But, who invited the cat?

Randy Vaughan, president, tunes up for an open house.

No, it's not hide-and-go-seek, just Sigma Kappa officers enjoying the Indian summer at Shenandoah.

## SIGMA KAPPA

Sigma Kappa was founded at Colby College, Waterville, Maine, on November 9, 1874. There are presently 101 college chapters and 200 alumnae chapters of Sigma Kappa throughout the United States.

September and October found the members decorating and preparing for rush aboard the good ship "Sigma Kap" sailing to Shenandoah. Rush week ended with fifteen wonderful new pledges. In December a Christmas party was given for patrons and their children, who were delighted by a visit and gifts from Santa Claus. Early January meant initiation for pledges and a welcoming into the bond of Sigma Kappa sisterhood. The first semester ended with exams for all the sisters, and marriage for some.

The new year meant a new semester, new members, and a growing feeling of sisterhood with fond memories to be remembered always. All too soon 1964 ended for the Sigma Kappas. Graduation came and with it came good-byes to sisters who have meant a great deal throughout the college years.

## SIGMA SIGMA SIGMA

Sprinkle House was the center of activities at both old and new members realized that this would be its last year as a home for Alpha Upsilon chapter. In September Sigmas returned eager to begin plans for the coming year. November found us preening Sprinkle House for a visit from Mrs. T. L. Jones, our National Collegiate Secretary. Christmas decorations and the annual party given to pledges were the highlights of the holiday season, but the initiation of our thirteen fall pledges was our most enjoyable event. Sprinkle House was fortunate to be the scene of a private concert by the Princeton Tigertones who were on campus for the Panhellenic-Interfraternity Council's Dance Weekend.

With the new year came many memorable events: pledging and initiation of our spring rushees, and the celebration of our Silver Anniversary. Alpha Upsilon was founded at Madison on May 13, 1939, many alumnae and friends of the sorority joined us to celebrate and to bid Sprinkle House a fond farewell.

Graduation brought a close to collegiate sorority life for the seniors, but the warm friendships and memories that are so much a part of Alpha Upsilon will ever be present. Though we know not of the future, caring can we bear, for we know a Sigma Sister always will be there.

Christine Woods, President

The Sigma officers give the Sprinkle swing a spring workout; L. Hahn, seated left, seems to be afraid of heights.

The expressions of M. Blaylock, F. Pugh, and N. Catlett reflect various moods of rush party anticipation.

## ZETA TAU ALPHA

An enthusiastic group of Zetas returned to the campus in September, anxious to make preparation for fall rush. An atmosphere of the wild west was created by the theme, "Zeto or Bust," and we happily received fourteen new pledges.

The year was filled with many memorable events — Founder's Day on October 15 . . . the Halloween rounds of the "Great Pumpkin" . . . Sunday night suppers . . . the surprise visits of the "secret Zeto buddies" . . . the annual White Banquet held at the Belle Meade in December, honoring the initiates . . . the merry Christmas party given by the new members . . . the spirit of bringing holiday cheer to the geriatric patients at the Rockingham Memorial Hospital.

Second semester found the Zetas in a new home, the Panhellenic dorm, and meeting with vigor the new era of sorority life brought to Modison. The Zeto room was the scene of more open houses, get-togethers, as well as a lovely May Day tea, given in honor of the alumnae, patrons, and advisors. The annual Senior Picnic brought the year to a close, and graduation meant sod portings, but a lasting treasure of true friendships.

## PHI ALPHA EPSILON

Fall brought together our small group of fraternity brothers to begin its second year as an organization at Madison College. Each of us, glad to return to our beloved campus, began preparing for our many activities during the year. Phi Alpha Epsilon was originally conceived as an organization that would promote more social activities for Madison men and Madison College. Our year started off with a series of parties where we entertained not only ourselves but guests from Madison and surrounding colleges.

At the Panhellenic Interfraternity Councils Christmas Dance, Phi Alpha Epsilon chose its "sweetheart" for the year 1963-64. Our choice came from seven lovely beauties, each one representing the seven Madison sororities. During the second semester, a series of parties were again enjoyed by our members and guests. February brought forth much excitement and satisfaction as we welcomed new pledges into the fraternity. With the arrival of May, we look back on another successful year.

During the year many of our members serve on various committees, hold offices in other organizations, and take an active part in the many organizations and activities of Madison College. We feel our organization is always striving for excellence, fellowship, and campus leadership, and we have shown what energy and organization can do. We shall continue to promote what is best in the college mole.

# SIGMA DELTA RHO

Sigma Delta Rho was founded on the Madison campus in 1947. The fraternity has grown in size from its original thirteen members to its present membership of seventeen. Sigma Delta Rho has as its major purpose the promoting of scholarship and fellowship among the brothers and men students at Madison. Its members are active in campus and community organizations and endeavor always to be of assistance to various worthy causes.

Our activities this year have included cuttings and parties and our annual spring picnic. As a participating member of the Inter-fraternity Council, Sigma Delta Rho helped sponsor the annual Christmas, a major event preceding the dance was a party at the home of our sponsors at which the candidates for the annual Sweetheart Contest were honored. The name of our sweetheart was announced after the "Happy Holly Days" figure.

## INTERFRATERNITY COUNCIL

The Interfraternity Council of Madison College was organized in the Spring of 1963 by members from each of the men's fraternities. The organization was founded to handle jointly-sponsored activities and to act as a governing body in matters affecting the two fraternities. The I.F.C. became an official campus organization in the Fall of 1963 after being approved in an open meeting of the faculty. The council is composed of three members from each fraternity with the chairmanship alternating annually between the two groups. The sponsorship of the annual winter formal on December 14 in conjunction with the Panhellenic Council was the highlight of the year's activities.

Members of Sigma Delta Rho join forces with members of Phi Alpha Epsilon to make a hard job an easy task.

Dedicated to developing an interest in physical activities and a high degree of sportsmanship, the Women's Athletic Association is composed of all women students enrolled at Madison College. The Council, with the assistance of the faculty advisors, strives to provide good intramural and extramural activities.

In this planned athletic program the WAA provides ten intramural teams, four extramural teams, four clubs and several interest groups. Some of the special events planned and sponsored by the WAA throughout the year include the Chuckwagon Party for incoming freshmen, the Massanutten Hike, club performances and the May Day Court. An added event this year sponsored by Madison's WAA and other surrounding colleges was the field hockey game between the Blue Ridge II and the Netherlands Touring teams.

## Orchesis

In its twenty-five years, Orchesis has afforded many Madison students the opportunity to create and perform in the medium of dance. Orchesis has not only given pleasure and enjoyment to its members but also to its audiences. Each year the members of Orchesis dance during a fall singspiration and in their spring concert. This year the members also danced at the Apple Blossom Festival in Winchester, Virginia.

## PORPOISE CLUB

Twenty-five girls organized the Porpoise Club in 1939. These girls, and the many that have followed, have worked hard in the field of synchronized swimming to make the club what it is today.

Each spring the Porpoise Club gives an exhibition for the college and community. This year seven members of the club attended a synchronized swimming workshop at Randolph Macon College.

The members of the club are selected during tryouts held in the early fall; they are selected according to their aquatic ability and willingness to learn. Dr. Bruce, Porpoise Club sponsor, helps the group learn new stunts, develop coordinations, and prepare for the annual water show.

## HOCKEY TEAM

1963 proved quite an eventful year for the Madison Hackey Team. Good team effort and sportsmanship helped pull the team together and created an unconquerable force that swept to an undefeated season. The team was represented at the Southeast Hackey Tournament by Betty Fadeley and Elma Frann playing for the Blueridge II Hackey Team. The Madison team played host to the visiting Netherlands Hackey Association and the Blueridge IV Hackey Team and was represented by Betty and Merle Kemp playing key positions for the Blueridge team. The final victory came when the team, coached by Miss Leatus Morrison, climaxed the season by winning the Blueridge Hackey Tournament.

# BASKETBALL TEAM

Madison scores against Bridgewater in thrilling last moments of game.

After holding tryouts in November, the Madison Basketball Team plunged into preparation for the season which opened after Christmas. Miss Marrison and Miss Eller provided excellent coaching which, combined with the enthusiasm and competitive spirit of the team, produced a good season.

## FENCING CLUB

With foils ready for action the fencing club meets every Thursday night in the gym. Hours of practice and hard work develop interests and skills among the members. As a highlight of the year, The Virginia Military Institute Fencing team visited Madison and gave a demonstration.

Interested persons may join the club when it holds try-outs twice a year.

## TENNIS TEAM

Sparkling new uniforms and additional playing courts helped give the Tennis team a rewarding season. The 1963 team lost only to Lynchburg College. Although team members had suntanned faces, they spent time practicing serves and volleys in the gym when the sun failed to cooperate.

## GIRLS' INTRAMURALS

Students had a great deal of fun and learned much by participating in the Intermural program. As they developed skills and made new friends, they experienced a growth of character and renewed physical vitality. Archery, tennis, hockey, fencing, volleyball, swimming, basketball, bowling, softball and golf were among the Intermural sports. Each individual could find a place for his enthusiasm as the program offered team and individual sports throughout the year.
